

F.F. of Cornwall - Visit to F.F. of Somerset

On the weekend of July 1st -2nd, twelve members of the Friendship Force of Cornwall enjoyed a reciprocal visit to Somerset (following their visit to us in April - see composite photo below) to prepare for the trip 'down under'. We were welcomed into the homes of the Somerset members who will be travelling with us and enjoyed a variety of activities. The Somerset Exchange Director for the visit - Colin Bennett, together with his wife Ann, hosted a workshop and a barbeque at their home.
